Reconstitution of the Minor Municipal Council, Krishnarajanagar - Explanations of the local officers for the delay in taking action for the -

---

With reference to your Memo No L 7511 dated 21st January 1944 on the above subject, I have the honour to forward herewith the explanation of the Amildar President, received with Mysore Sub-Division Officer's Memo No R1 C 299/43-44 dated 12th March 1944 and to state that the Amildar explains that he could not take timely action for the conduct of elections as there was a proposal to convert the Municipality into a Town Municipality It is true that this matter has been under correspondence from a long time and the final proposals in this behalf have been submitted to Government with this office letter No D3 C 4967/39-40 dated 15th March 1944 The Amildar further explains that he could not apply for the extension of the term earlier since he was absent on privilege leave from 18th November 1943 and that immediately on his return from leave in December 1944 he could not think of this as he was very busy with making arrangements for His Highness' visit to Krishnarajanagar and in taking declarations in connection with the new Harvest Scheme, which are over 10,000 in number The normal work of this Taluk is itself very heavy and besides the food operations are extremely on a large scale, this being a biggest supply Taluk in this District In spite of all this, the Amildar

has been doing very good work I am of opinion, therefore, that the explanation of the Amildar may be accepted

As per orders of Government the Amildar, President has been taking action to push through the election proceedings so as to reconstitute the Council from 1st May 1944

I have the honour to be,
Sir,

Sir,

With reference to correspondence ending with your memo No D3-C 1830/43 dated 25-1-44 calling for my explanation for the delay in taking action for the reconstitution of the Minor Municipal Council, K R Nagar, I beg to state as follows -

The question of converting this Municipality from Minor to Town Municipality has been under consideration of the Municipal Council and the Public of the Town from a long time So far back as 2-5-40, the Council passed a resolution to the effect that the Municipality might be converted into Town Municipality in view of the fact that it has a normal income of over Rs 10,000/- per annum and necessary proposals therefor were submitted to the Deputy Commissioner with this office report No H C 97 dated 26-11-43 I was all along expecting orders in this behalf and I wanted to take action for the reconstitution of the Town Municipal Council once for all soon after the orders were received But, the final orders regarding the conversion did not come till November 1943 In the meanwhile I had to go on on Privilege leave urgently from 18th November 1943 Before I went on leave I however prepared a Calendar of Events for taking Election Proceedings for the reconstitution of the present minor municipal council and left it in the Municipal Office for taking further action As there was no Bill Collector in the Municipality from August to December 1943, Voter's list had not been prepared.

Immediately on my return from leave i e , on 11th December 1943, I could not think and anything but making arrangements for His Highness's visit to K R Nagar which came off on 15th December 1943 Meanwhile the Government Order regarding the New Harvest Scheme came into force and I had to deal with over 10,000 declarations in addition to my heavy normal

normal duties All my attention was engaged in the Food - Operations which are on a considerable ~~xxxxx~~ scale, this being a biggest supply taluk in this district

As the orders regarding the conversion of the Municipality did not come and as the term of the present minor Municipal Council was to expire by 14th Jan 1944, I submitted a report to the Deputy Commissioner through the Sub Division Officer on 6-1-44 requesting for the extension of the term so as to enable me to take Election Proceedings

On receipt of orders of Government, I have published a Calendar of Events and have been taking action for holding the Elections

In the foregoing circumstances I request that I may be kindly pardoned for the delay

I beg to remain
